## WC-8 Battery Powered Yoke Kit

Western Continues to offer our very Popular 12VDC Yoke, with the Battery Pack, Charger , #2 Carrying Case. The WC-8 Kit provides the inspector with a *grab and go* unit for convenience.

The WC-8 Yoke Kit reflects the quality and finish of all Western's Products. To continue Manufacturing the highest quality Portable MPI Equipment in the world, requires industry standards. From our universal 7 Amp Hour, 12 Volt Battery Pack, and, a 2 Amp Smart Charger (100 to 250VAC), allowing the Battery to be continually charging when the Yoke is not in use. Not just another 12 Volt Yoke, but an engineered piece of equipment intended to allow more through and stringent inspection jobs
